## CONC® NETWORKS

A new energy theft alert software program has been developed.

## CONC® MARKETING

Hello from Nicaragua! We the Company, CEO, Robert Spigno are currently working with a Utility where a pilot has been installed in downtown Managua which we expect to lead to a substantial agreement. ConectiSys hardware and software writers have made great advances in achieving the goal set forth in providing an energy theft program that will greatly improve the Utilities bottom line. Alert testing is ongoing and software changes are in process to meet the Utilities needs which are anticipated to be completed this month.
